------------------------------------	---------------------------------------------------------------------------------------	--------------------------------	-----------	--------------------------------------------------	----------------------	---------------------------------	--------

What hazard have you identified? What are the risks from it?	Risk Rating	Who is at risk?	How are the risks already controlled? What extra controls are needed?
Contracting COVID-19 through social mixing during meetings	Low	Young People and Leaders	<ul style="list-style-type: none"> Parents are to be informed of their legal obligation to self-isolation if they test positive or symptomatic. If any young person or anyone in their household tests positive or is symptomatic then they must not attend until they are able to on advice from the the NHS Test and Trace Service To maintain good hand hygiene – all young people and leaders must wash or sanitiser their hands on arrival and prior to depature. Young people will wait outside the hut with their parents/guaridans prior to the meeting starting. A leader will collect them from the car park to limit interactions between parents/guardians and leaders. This will be the same on completion of the meeting. A leader will bring a young people out to the parents/guardian in the car park. Meetings can continue indoors, if needed, however if more than 20 individuals (young people and leaders) are inside then ventilation shall be increased either through opening windows and/or the door to the back garden
Contracting COVID-19 through sharing of equipment during meetings	Low	Young People and Leaders	<ul style="list-style-type: none"> If any equipment is used during a meeting this must be wash with hot soapy water or cleaned with disinfectant wipes (provided) before returning to its original location. It is deemend that good cleaning and time is enough mitigate any risk of contracting COVID-19.
Contracting COVID-19 through sharing of communal spaces (e.g. toilets and kitchens)	Low	Young People and Leaders	<ul style="list-style-type: none"> Good hand hygiene prior to starting the meeting. Kitchen area will maintain occupancy of 2 people. This is more for general H&S.
